Re: *Allianz Global Inv'rs GmbH, et al. v. Bank of Am. Corp., et al.*,
Case No. 18-cv-10364

Dear Judge Aaron:

On behalf of all parties in the above-referenced action, we respectfully write to request an extension of the page limit for the upcoming joint status letter, currently due Monday, to give each side an additional two pages (from five to seven pages). The parties also request a one-day extension of the deadline for that letter from Monday, August 16, to Tuesday, August 17. Plaintiffs are raising several issues in the joint letter, including certain issues with respect to which nine of the Defendants believe they are differently situated from others and must respond separately to explain their individual situations to the Court. Although Defendants seek to be as concise as possible in their portion of the letter, they believe a two-page extension for each side's section of the joint letter is needed to address those individual circumstances and provide the Court with sufficient context. Plaintiffs seek a reciprocal two-page extension.

No previous request for an extension of this deadline has been made, and this requested extension would not affect the timing of the status conference, currently scheduled for Thursday, August 19, or any other deadlines.

Respectfully,

/s/ Matthew A. Schwartz
